V/O: A shot at sharpening your culinary knowledge.

That's what this training offers, and it's what you'll find on the Alaska Seafood Marketing Institute foodservice web site.

A simple click of the mouse will take you straight there – or to our whitefish, shellfish or recipes pages.

But first, we'd like you to be sure to visit each section, take all the practice quizzes, and then go to the Alaska Seafood Marketing Institute website to take the final quiz.

From there, you can explore all the benefits our site offers to both new and seasoned chefs.
