

2022 ASMI All Hands on Deck
ASMI Operational Committee Questions

1. What are the biggest opportunities for your program in the coming year or near future?
2. What long-term challenges must your program continue to monitor and/or address?
3. Please address the comments from the species committees that were directed toward your program. In response, do you have any recommendations for which your operational program should take action?
4. Are there any specific questions or items of interest pertaining to your program that you would like the ASMI Board to consider? If not, write N/A.
5. Is there an action that this committee recommends the ASMI Board consider at All Hands or in the near future?
